SAJAG 2024

About the Conclave

The SAJAG 2024, the only National Conclave of its kind in central India and organized by the University, is gearing up to hold its seventh edition. Since its establishment in 2018, the conclave has emerged as a leading platform for addressing complex challenges in the field of cyber security.

The theme of 7th National Conclave SAJAG 2024 is "Cyber Resilience for the Digital Era." Now days, focus on cyber resilience has become increasingly critical due to the growing number of cyber threats and rapid digital transformation across various sectors. The theme emphasizes the need to prevent cyber-attacks and ensure organizations can recover from them effectively.

The conclave aims to bring together prominent stakeholders, including Corporate and Multinational Corporations (MNCs), Banking, Financial Services, and Insurance (BFSI) officials, Cyber Security Professionals, Security Analysts, Forensic Professionals, Ethical Hackers, Network and Hardware Engineers, Research Scholars, Academics, and Enforcement Agencies. Attendees can participate in discussions and sessions focusing on critical aspects of cyber resilience, including risk management, incident response, threat intelligence, and regulatory compliance.

Through this event, participants will gain valuable insights and tools to navigate the complex cyber security landscape and build resilient digital ecosystems by fostering collaboration and knowledge-sharing. The SAJAG 2024 National Conclave provides a unique opportunity for attendees to learn about the latest strategies and best practices for enhancing cyber resilience in today's digital landscape.
